This is a response to the *ex parte* Quayle Office Action mailed on February 27, 2004.
Please amend the above-identified patent application as follows.

IN THE DRAWINGS

Formal Drawings are supplied herewith.

Enclosed is a copy of Figure 3 of the drawings showing the following proposed amendment to Figure 3 in red ink.

Reference number 308 is used for two different items in Figure 3. It is proposed to change the reference number on the LED to 309, while retaining the number 308 on the ring prism, as shown in the marked-up Figure 3. The Formal Drawings supplied herewith include this change. A corresponding change is made to the specification as described below.
